☐ Tag It - Asks teens to tag the influences in their lives and share them with the world. This activity increases teen's awareness of influences in their environment and how influences may encourage them to make either positive or negative decisions. – if you choose this project, please incorporate the “Tag It” notepad. Go to [www.kentpoliceyb.com](http://www.kentpoliceyb.com) to download.

 Be It - Asks teens to create their own personal slogan. This activity helps teens gain understanding of brand value and how maintaining a brand's reputation affects the influence of the brand – if you choose this project, please incorporate the “Be It” Thought Bubble. Go to [www.kentpoliceyb.com](http://www.kentpoliceyb.com) to download.

☐ Express It - - Asks teens to create a short skit, song or dance that educates and inspires them and their peers to live “Above the Influence.” This will help teens gain an awareness of their influences and issues impacting youth in their community.
